Product price:

€1.33 tax included

Product codes:

Reference: PL14PBTF

EAN13: 8057730510721

UPC: -

Product short description:

The E14 thermoplastic lampholder kit with double ring nut is used to assemble a wall, table or ceiling lamp with shade.

Compared with bakelite, thermoplastics have a matt finish and are very light.

The E14 thermoplastic lampholder kit with double ring nut for lampshade is made for you:

- you intend to use a shielding element
- you need to use a bulb with an E14 socket
- you want a simple socket at a smart price.

To configure and complete the E14 threaded thermoplastic lampholder kit for lampshades:

- use the menus to define their characteristics
- complete your lighting installation with components, accessories, bulbs and textile cables.

Warning! Cable clamp NOT included.
