The two Ray pendant lights from Nordlux have a classic, elegant design. The lamps are in chrome with a glass shade. The white glass shades give off a soft, pleasant light that is perfect for many rooms in the home. Use them as decorative lamps in a slightly dark corner, or as reading lights behind a good armchair. You can hang them separately, offset or at the same height. The possibilities are endless.

The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
