Ray floor lamp from Nordlux with a classic, elegant design. The lamp is in chrome with a glass shade. The white glass shade diffuses a soft, pleasant light that is perfect for many rooms in the home. Use it as a decorative lamp in a slightly dark corner or as a reading light behind a good armchair. The lamp head can be swivelled, so it can be used in many different ways. The glass in this lamp is mouth-blown and has been individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
