Double floor lamp Ray from Nordlux with a classic, elegant design. The lamp is in chrome with glass shades. The white glass shades give off a soft, pleasant light that is perfect for many rooms in the home. Use it as a decorative lamp in a slightly dark corner or as a reading light behind a good armchair. The lamp heads can be swivelled for a wide range of uses.

The glass in this lamp is mouth-blown and individually hand-crafted. Because of this unique process, air bubbles can appear in the glass and the thickness of the glass can also vary. This is what gives the glass its character and lively appearance.
