Product short description:

Power	Lumens	Voltage	Angle	Dimmable
15W	1650	230V	120°	Yes Moodmaker

Noxy is a minimalist ceiling light with integrated LED and 3-way Moodmaker™ SceneSelect function.

Operated by your standard wall switch; it offers you a nightlight option that directs light only towards the ceiling.

The 3-way Moodmaker™ function allows you to control the colour of the natural light, RA90, giving you the ability to switch between cool (4000K) and warm (3000K) tones. Noxy's black version comes with 2 detachable brushed aluminium and brass rings, allowing you to choose the finishing touch you want.
