Black Schuko plug with collar 16A 250V IP44

Product price:

€7.41 tax included

Product codes:

Reference: 80052 EAN13: 8015450800522 UPC: -

Product short description:

This black plastic Schuko plug can be used to create lamps with cables for outdoors, without any need to modify your installation or carry out wall-mounted installations: so you can light up your outdoor spaces in just a few simple steps!

The IP44 rating of this plug protects it from splashes and sprays. To make connecting and disconnecting the plug easier and safer, it comes with an extractor ring, which can also be used as an overhead suspension hook.
