Product short description:

The luminaire is sold without a bulb.

Orbiform exudes exclusivity and glamour. The series combines brushed brass with a pentagon-shaped glass dome adorned with pretty diamond motifs that emphasise the sparkle of the glass and create a unique lighting effect in the room. The pretty glass evokes the era of crystal interiors, which is once again a popular element of interior design.

The Orbiform table lamp helps to create an elegant atmosphere and a pleasant ambience. Use it, for example, on your dressing table, on a chest of drawers or on a windowsill to decorate and create atmosphere.
